

## **CURRICULUM VITAE**

**Philip D. Shenefelt, M.D., M.S.**

### **PERSONAL**

Office: Guided Skin Health  
Interactive Guided Imagery and Hypnosis  
13902 N Dale Mabry Hwy, Suite 240  
Tampa, Florida 33618  
Tuesdays by appointment, [www. GuidedSkinHealth.com](http://www.GuidedSkinHealth.com)  
Phone: (813) 506-9869

Mailing 15919 Nottinghill Drive  
Address: Lutz, Florida 33548  
E-mail: [pshenefe@health.usf.edu](mailto:pshenefe@health.usf.edu)

Residence: 15919 Nottinghill Drive  
Lutz, Florida 33548  
Phone: (813) 968-7850

Birthdate: July 31, 1943

Birthplace: Colfax, Washington, USA

### **PRESENT APPOINTMENTS**

Retired Professor since July 1, 2019  
Department of Dermatology and Cutaneous Surgery  
University of South Florida  
College of Medicine  
Tampa, Florida

### **BOARD CERTIFICATION**

Diplomate, National Board of Medical Examiners, July 1971  
Diplomate, American Board of Dermatology, October 30, 1978, not time limited  
Diplomate, American Board of Medical Hypnosis, January 21, 2007, not time limited,  
recognized by the American Society of Clinical Hypnosis, and the Society for Clinical and  
Experimental Hypnosis

**MEDICAL LICENSURE**

Florida #ME50881 active and current through January 31, 2020  
Wisconsin #18769 active and current through October 31, 2019  
Virginia #0101-022172 active and current through July 31, 2020

**OTHER CERTIFICATION**

Approved Consultant in Clinical Hypnosis, American Society of Clinical Hypnosis, May 2001; renewed May 2004; renewed May 2007; renewed May 2010, renewed May 2013, renewed May 2016.

Certified Consultant in Hypnosis, Society for Clinical and Experimental Hypnosis, December 2010, renewed December 2014.

**EDUCATION**

Undergraduate: University of Wisconsin  
Madison, Wisconsin  
June 6, 1966  
B.S. with honors

Graduate: University of Wisconsin School of Medicine  
Madison, Wisconsin  
M.D. - June 8, 1970

Internship: U.S. Naval Hospital  
Bethesda, Maryland  
Rotating "O"  
July 1970 - June 1971

Residency: Dermatology: July 1975 - June 1978  
University of Wisconsin Hospitals  
Madison, Wisconsin  
First year rotation at Marshfield Clinic with  
William F. Schorr, M.D.

**EDUCATION (Continued):**

Postgraduate: U.S. Navy Submarine and Diving Medical Schools  
Groton, Connecticut and Washington, D.C.  
July - December 1971

University of Wisconsin School of Medicine  
Preventive/Administrative Medicine  
Madison, Wisconsin  
M.S. in Administrative Medicine - May 20, 1984

University of Wisconsin  
Graduate School of Medicine  
Madison, Wisconsin  
Certificate in Health Care Accounting  
Certificate in Health Care Financial Planning and Control - June 24, 1985

**PROFESSIONAL EXPERIENCE:**

Professor of Dermatology, Department of Dermatology and Cutaneous Surgery,  
University of South Florida, College of Medicine, August 7, 2011 to June 30, 2019. Retired.

Associate Professor of Dermatology, Department of Dermatology and Cutaneous Surgery,  
University of South Florida, College of Medicine, July 1, 2006 to August 6, 2011.

Associate Professor of Medicine, Division of Dermatology and Cutaneous Surgery,  
Department of Internal Medicine, University of South Florida, College of  
Medicine, August 7, 1997 to July 1, 2006.

Assistant Professor of Medicine, Division of Dermatology and Cutaneous Surgery,  
Department of Internal Medicine, University of South Florida, College of Medicine,  
Tampa, Florida, July 1, 1987 to August 6, 1997.

Staff Dermatologist August 9, 1987-June 30, 2019, Tampa General Hospital, Tampa, Florida

Staff Dermatologist October 1991-June 30, 2019, Dermatology and Cutaneous Oncology  
Section, H. Lee Moffitt Cancer Center and Research Institute, Tampa, Florida

Staff Dermatologist and past chief, Dermatology Section, Medical Service, James A. Haley  
Veterans Administration Hospital, Tampa, Florida, May 12, 2007 to July 31, 2018. Retired.

Chief, Dermatology Section, Medical Service, James A. Haley Veterans Administration Hospital, Tampa, Florida, August 7, 2002 to May 12, 2007.

**PROFESSIONAL EXPERIENCE (Continued):**

Assistant Chief, Dermatology Section, Medical Services, James A. Haley Veterans Administration Hospital, Tampa, Florida, July 1, 1998 to August 6, 2002.

Staff Dermatologist, Dermatology Section, Medical Service, James A. Haley Veterans Administration Hospital, Tampa, Florida, July 1, 1988 to June 30, 1998.

Staff Dermatologist, H. Lee Moffitt Cancer Center and Research Institute, Tampa, Florida, October 1991 to present.

SUBMEDSCHOOL July - December 1971. COMNAVINSWARLANT staff as diving medical officer January 1972 - December 1974.

### **PROFESSIONAL AWARDS:**

Kellogg Fellowship in Administrative Medicine, University of Wisconsin, Madison, Wisconsin, 1980-1982.

Shirley R. Schneck Award presented by the Society for Clinical and Experimental Hypnosis to Philip D. Shenefelt, MD, ABMH as a Physician Who Made Significant Contributions to the Development of Medical Hypnosis, October 5, 2013.

Award of Merit presented by the American Society of Clinical Hypnosis in appreciation for unwavering support to ASCH and the field of clinical hypnosis as a mentor, educator, and leader, March 24, 2014.

Presidential Award presented by the American Society of Clinical Hypnosis in appreciation for steadfast leadership as Chair of the Membership and Ethics Committees, March 14, 2016.

Shirley R. Schneck Award presented by the Society for Clinical and Experimental Hypnosis to Philip D. Shenefelt, MD, ABMH as a Physician Who Made Significant Contributions to the Development of Medical Hypnosis, October 9, 2016.

### **CLINICAL RECOGNITION**

Listed in Best Doctors annually since 1999, Southeast Region and America

### **MEMBERSHIP IN PROFESSIONAL SOCIETIES:**

1. American Medical Association, since 1974.
2. American Academy of Dermatology, Fellow since 1978.
3. Florida West Coast Dermatological Society, since 1987.
4. Florida Society of Dermatology and Dermatologic Surgery, since 1987.
5. American Contact Dermatitis Society, since 1989.
6. American Association for Physician Leadership (formerly ACPE), since 1989.
7. Florida Society of Clinical Hypnosis, since 1991.
8. American Society of Clinical Hypnosis, since 1992, elected Fellow 2014.

9. Noah Worcester Dermatological Society, since 2000.
10. Society for Clinical and Experimental Hypnosis, since 2003, elected Fellow 2011.
11. Florida Medical Society, since 2005.
12. Association of Psychocutaneous Medicine of North America, since 2005
13. European Society for Dermatology and Psychiatry, since 2011.

### **OFFICES AND COMMITTEE RESPONSIBILITIES IN PROFESSIONAL SOCIETIES:**

#### American Academy of Dermatology

Advisory Council 1985 - 1988

Member of Committee on Health Care and Quality Assurance 1988-1990

Member of Complementary and Alternative Medicine Workgroup 2013-present

#### American Board of Medical Hypnosis

Secretary-Treasurer 2011-2016

President 2016-present

#### American Contact Dermatitis Society

Alexander Fisher Lectureship Selection Committee 1996–1999; Chairman 1998-1999

#### American Society of Clinical Hypnosis

Membership Committee Chairman 2011-2018

Component Section Representative on Board of Governors 2012-2015

Co-Chair of Review Committee of ASCH-ERF and Primary CME Reviewer 2013-present

Member at Large for Medicine on Executive Committee 2015-2016

Chair, Ethics Committee 2015-2018

Vice President 2016-2017

Chair, Nominations and Elections Committee, 2017-2018

President-Elect 2018-2019

President 2019-present

#### Florida Society of Clinical Hypnosis

Member of Board of Directors 2008-present

Member of Scientific Committee 2009-present

Secretary 2010-2011

Vice President 2011-2012

President-Elect 2012-2013

President 2013-2014

Past President 2014-2016

Florida Society of Dermatology and Dermatologic Surgery  
Quality Assurance Committee 1991-2005

Florida West Coast Society of Dermatology  
Secretary-Treasurer, 1992-1993  
President, 1994

**OFFICES AND COMMITTEE RESPONSIBILITIES IN PROFESSIONAL SOCIETIES**  
**(cont):**

Society for Clinical and Experimental Hypnosis  
Secretary 2011-2013  
Executive Committee 2011-2013  
Executive Council 2011-present  
Chair, By-Laws Committee 2013, Vice Chair 2014  
Co-Chair, Credentials and Membership Committee 2013-2014  
Chair, Ethics Committee 2014-present

**EDITORIAL BOARD MEMBER:**

International Journal of Clinical and Experimental Hypnosis member of the Board of Editorial Consultants 2018-present

**UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE TEACHING RESPONSIBILITIES:**

1. Staff Dermatologist, U.S.F. Medical Clinics, 1987 to present.

Medical Student Teaching

BCC 8116 Skin and Bones Clerkship live patient teaching in clinics for rotating 4<sup>th</sup> year medical students on rotations in dermatology clinic from July 2006 to present several half days a week based on their schedules, planned, organized and helped coordinate the dermatology part of the skin and bones clerkship, about 125 students per year.

MEL 7321 and prior equivalents Clinical Dermatology month long 4<sup>th</sup> year medical student elective from July 1987 to present, including an hour didactic teaching on

core aspects of dermatology per week until 2007, plus daily teaching six half days a week at USF Medical Clinics with live patients in dermatology clinics ongoing to present, about 15 students per year.

BMS 6941 LCE semester long 1<sup>st</sup> and 2<sup>nd</sup> year medical students from August 2004 to present with daily teaching one half day a week with live patients at USF Medical Clinics in dermatology clinics, about 2 students per year.

BMS 6600 Physical Diagnosis II October 2004 about 15 students.

BMS 6920 Colloquium summer 2005 1<sup>st</sup> and 2<sup>nd</sup> year medical students didactic teaching on aspects of dermatology, 5 students.

BMS 6920 Mind Body Medicine Colloquium two hours December 13, 2011 on hypnosis, 1<sup>st</sup> and 2<sup>nd</sup> year medical students, 5 students.

BMS 6920 Mind Body Medicine Colloquium two hours November 2, 2012 on hypnosis, 1<sup>st</sup> and 2<sup>nd</sup> year medical students, 5 students.

BMS 6920 Mindfulness Meditation and Self-Hypnosis in Integrative Medicine Colloquium two hours each on September 27, October 25, November 15, December 6, 2013 and January 17, 2014 for a total of ten hours, 1<sup>st</sup> and 2<sup>nd</sup> year medical students, 7 students.

#### **UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE TEACHING RESPONSIBILITIES (Continued):**

BMS 6920 Integrative Medicine with a Focus on Dermatology

Colloquium two hours each on October 24, November 21, December 12, 2014 and January 30, February 6, 2015 for a total of ten hours, 1<sup>st</sup> and 2<sup>nd</sup> year medical students, 11 students.

#### Dermatology Resident Teaching

One hour didactic teaching conference per week on various topics from 1987 to present. Topics have included general dermatology, allergic contact dermatitis, arthropods and the skin, pediatric dermatology, genetics and the skin, basic science related to dermatology, and others. Daily teaching six half days a week with live patients in dermatology clinics and cutaneous surgeries from 1987 to present, 12 months a year, expanded from 6 to 12 or more dermatology residents per year.

#### Other Resident Teaching

One hour didactic weekly teaching conference sometimes concurrent with dermatology residents. One month rotations from 1987 to present with daily teaching six half days a week at USF Medical Clinics with live patients in dermatology clinics, about 30 internal medicine residents, 8 family practice residents, and 2 occupational medicine residents per year.

2. Staff Dermatologist, Tampa General Hospital, 1987 to June 30, 2019.

Dermatology Resident Teaching

Weekly Tampa General inpatient teaching rounds with one dermatology resident

3. Dermatology Section, Medical Service, James A. Haley Veterans Administration Hospital, 1988 to 2018.

Medical Student Teaching

BCC 8116 and MEL 7321 medical student rotations through outpatient dermatology clinics daily as described above 4 half days a week.

Physician Assistant Student Teaching

Physician assistant students from University of Florida one month rotations on dermatology, similar to MEL 7321 above for medical students, 2 students per year.

Dermatology Resident Teaching

Dermatology resident teaching in outpatient clinics as described above under USF Medical Clinics but at VAH dermatology clinics 4 half days a Week.

**UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE TEACHING RESPONSIBILITIES (Continued):**

Weekly Veterans Administration Hospital inpatient teaching rounds with one dermatology resident.

Other Resident Teaching

Other Resident teaching in outpatient clinics as described above 4 half days a week.

4. Staff Dermatologist, H. Lee Moffitt Cancer Center and Research Institute, 1991 to present.

Dermatology Resident Teaching

Occasional inpatient consults with one dermatology resident

**UNIVERSITY OF SOUTH FLORIDA COMMITTEE MEMBERSHIP**

1. Graduate Medical Education Committee 1998 to 2001, 2002, 2004 to 2005.
2. Resident Education Support, Employment, and Grievances Subcommittee, 1998 to 2000.
3. College of Medicine Faculty Council Representative from Internal Medicine, 1999 to

- 2003.
4. USFPG Managed Care Committee, 2000 to 2007.
  5. USF Faculty Senator, 2002 to 2008.
  6. USF Faculty Senate Committee on Committees, 2005 to 2008; Chairman 2007-2008.
  7. LCME1 Committee, 2006.
  8. College of Medicine Faculty Council Representative from Dermatology and Cutaneous Surgery, 2006 to 2010.
  9. USFPG Board of Directors Member from Dermatology and Cutaneous Surgery, 2006 to 2008.
  10. USF Faculty Senate Executive Committee, 2007-2008.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE:**

1. Contact Dermatitis. Presented to medical staff meeting at Winter Park Memorial Hospital, Winter Park, Florida, March 18, 1988.
2. Contact Dermatitis: Pathogenesis and Update. Luncheon Roundtable presentation at Florida Conference on Dermatology and Dermatologic Surgery, Florida Society of Dermatology, Stouffer Orlando Resort at Sea World, Orlando, Florida, March 26, 1988.
3. The Hospital's Pivotal Role in Altering Physician Autonomy. Paper presented at the conference on American Hospitals and Human Values: 1860-1988. Society for Health and Human Values, Tampa General Hospital, Tampa, Florida, April 14, 1988.
4. Patient Presentation Panel Member: Southeastern Dermatological Association Conference, Tradewinds, St. Petersburg Beach, Florida, April 24, 1988.
5. Dermatoepidemiologic Study at a University Health Center - Findings and Implications. Preventive Dermatology Forum, American Academy of Dermatology Annual Meeting, Washington, D.C., December 6, 1988.

6. Dermatoepidemiology, Part I. Florida Society of Dermatology Annual Meeting, Key Biscayne, Florida, May 19, 1989.
7. Dermatoepidemiology, Part II. Florida Society of Dermatology Annual Meeting, Key Biscayne, Florida, May 20, 1989.
8. Occupational Dermatology. Course Director and Presenter. Current Topics in Occupational Medicine for Physicians, Clearwater Beach, Florida, February 22, 1990.
9. Skin Cancer Immunology. Florida Society of Dermatology Annual Meeting, Longboat Key, Florida, May 19, 1990.
10. Dermatology Review. Dermatology Section Moderator and Presenter, American College of Physicians, MKSAP VIII Review Course, Buena Vista Palace, Lake Buena Vista, Florida, August 17, 1990.
11. Occupational Dermatology. Medical Grand Rounds presentation, Orlando Regional Medical Center, Orlando, Florida, September 27, 1990.
12. Moth Cocoon Dermatitis. American Contact Dermatitis Society Annual Meeting, Atlanta, Georgia, November 30, 1990.
13. Occupational Dermatology. Course Director and Presenter. Current Topics in Occupational Medicine for Physicians, Clearwater Beach, Florida, February 21, 1991.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

14. Dermatologic Disorders in the Elderly. Geriatric Medicine Board Review Course, Sheraton Grand Hotel, Tampa, Florida, March 20, 1992.
15. Descriptive Dermatoepidemiology at a Student Health Center. Poster presentation and discussion. Society for Investigative Dermatology Annual Meeting, Baltimore, Maryland, April 30 - May 1, 1992.
16. Occupational Dermatology. Medical Grand Rounds presentation, Orlando Regional Medical Center, Orlando, Florida, October 22, 1992.
17. Depiction By Lorenz Curves and Quantification By Gini Coefficients Of The Concentration Of Cases In Dermatologic Diagnostic Categories. Poster presentation and discussion. The Second Tricontinental Meeting of the Japanese Society for Investigative Dermatology (JSID), the Society for Investigative Dermatology (SID), and the European Society for Dermatological Research (ESDR), Kyoto International Conference Hall, Kyoto, Japan, October 28-31, 1993.

18. What's Bugging Your Patients? Focus session director and presenter on arthropods and the skin. American Academy of Dermatology Annual Meeting, Washington, D.C., December 4, 1993.
19. Dermatologic Disorders in the Elderly. Geriatric Medicine Board Review Course, Sheraton Grand Hotel, Tampa, Florida, March 18, 1994.
20. Rash Decisions: Skin Lesions and Environmental Exposure. Presented at Florida Academy of Physician Assistants Annual Summer Clinical Symposium, Daytona Beach Marriott, Daytona Beach, Florida, August 5, 1994
21. Occupational Dermatitis. Medical Grand Rounds presentation, Winter Park Memorial Hospital, Winter Park, Florida, September 16, 1994.
22. Patient presentation panel member. Dermatology Section, Southern Medical Association 88th Annual Meeting, Orange County Convention Center, Orlando, Florida, November 5, 1994.
23. What's Bugging Your Patients? Focus session director and presenter on arthropods and the skin. American Academy of Dermatology Annual Meeting, New Orleans, Louisiana, February 8, 1995.
24. Descriptive Epidemiology of Contact Dermatitis in a University Student Population. Poster presentation and discussion. Society for Investigative Dermatology Annual Meeting, Chicago, Illinois, May 24-28, 1995.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

25. Burrows, Bugbites, Bitebugs, and Bug Stings. Medical Grand Rounds presentation, Winter Park Memorial Hospital, Winter Park, Florida, November 17, 1995.
26. Dermatology Clinic Utilization Incidence and Prevalence of Contact Dermatitis in a University Student Population. American Contact Dermatitis Society Annual Meeting, Washington, D.C., February 9, 1996.
27. Descriptive Dermatoepidemiology at a University Student Health Center: Disease Frequency And the Pareto Principle. Poster presentation and brief oral presentation at the Dermatoepidemiology Interest Group Annual Meeting, Washington, D.C., February 9, 1996.
28. What's Bugging Your Patients? Focus session director and presenter on arthropods and

- the skin. American Academy of Dermatology Annual Meeting, Washington, D.C., February 12, 1996.
29. Bug Bites, Bite Bugs, and Bug Stings. Florida Society of Dermatology Annual Meeting, Key Biscayne, Florida, June 2, 1996.
  30. Contact Allergen Testing in the Differential Diagnosis of Persistent Eczematous Conditions. Presented to Gulf South Dermatologists, Chateau Estates Country Club, Kenner, Louisiana, June 27, 1996.
  31. What's Bugging Your Patients? Focus session director and presenter on arthropods and the skin. American Academy of Dermatology Annual Meeting, San Francisco, California, March 22, 1997.
  32. Allergic Contact Dermatitis. Florida Society of Dermatology Annual Meeting, presentation, Naples, Florida, June 6, 1997.
  33. Broadening the Dermatologic Horizon of the Primary Care Provider. Primary Care Provider Meeting, James A. Haley Veterans Administration Hospital, Tampa, Florida, presentation, July 18, 1997.
  34. Arthropods and the Skin. Dermatology Grand Rounds presentation, Ohio State University, Columbus, Ohio, August 8, 1997.
  35. Bug Bites and Bug Stings. Presenter at Microbiology course, American Academy of Dermatology Annual Meeting, Orlando, Florida, February 28, 1998.
  36. Limitations of ICD-9-CM Codes for Use in Dermatoepidemiologic Studies. Poster presentation and discussion. International Investigative Dermatology 1998 Meeting, Koeln-Messe, Cologne, Germany, May 7-10, 1998.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

37. Arthropods that Bug the Skin. Focus session. Director and presenter on arthropods and the skin. American Academy of Dermatology Annual Meeting, New Orleans, Louisiana, March 19, 1999.
38. Sun Safety for Children. Presentation at the quarterly meeting of the Central Florida Pediatric Society, Orlando, Florida, May 25, 1999.
39. What's This? Old Skin in the Office. Presentation at Ambulatory Management of an Aging Population: Y2K and Beyond course, American College of Physicians, Colony Beach and Tennis Resort, Longboat Key, Florida, September 16, 1999.

40. Occupational Dermatitis. Presentation at Occupational Medicine for Health Professionals Course, University of South Florida College of Public Health, Tampa, FL, Sept 29, 1999.
41. Hypnosis for Skin Disorders. Presented at the Scientific Meeting of the American Society of Clinical Hypnosis Annual Meeting, Baltimore, Maryland, February 29, 2000.
42. Relevance of the Pareto Principle, Lorenz Curves, and Gini Coefficients to Patch Testing. Presented at the American Contact Dermatitis Society Annual Meeting, San Francisco, California, March 9, 2000.
43. Common Dermatoses. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 2, 2000.
44. Pediatric Dermatology. Presented at Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 3, 2000.
45. Hypnotic Relaxation During a Dermatologic Procedure. Presented at the Southern Medical Association's Annual Scientific Assembly, Orlando, Florida. November 3, 2000.
46. Hypnosis in Dermatology: An Alternative Therapy. Focus session director and presenter. American Academy of Dermatology Annual Meeting, Washington, D.C., March 2, 2001.
47. Hypnosis – Facilitated Relaxation Using Self-Guided Imagery During Dermatologic Procedures. Scientific meeting symposium director and presenter. American Society of Clinical Hypnosis Annual Meeting, Reno, Nevada, March 27, 2001.
48. Management of Common Dermatoses. Presented at the Dermatology for Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, May 2001.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

49. Environment Dermatology. Presented at Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 2, 2001.
50. Contact Dermatitis. Grand Rounds presentation, Sarasota Memorial Hospital, Sarasota, Florida, January 4, 2002.
51. Hypnosis in Dermatology: An Alternative Therapy. Focus session director and presenter. American Academy of Dermatology Annual Meeting, New Orleans, Louisiana, February 23, 2002.
52. Assisting Healing with Hypnosis and Biofeedback in Dermatology. Scientific meeting

- symposium presenter, American Society of Clinical Hypnosis Annual Meeting, Indianapolis, Indiana, March 19, 2002.
53. Pediatric Dermatology. Presented at the Osler Institute Pediatric Board Review, Crowne Plaza Hotel, Tampa, Florida, May 21, 2002.
  54. Dermatology. Presented at the Osler Institute Family Practice Board Review, Crowne Plaza Hotel Tampa, Florida, May 24, 2002.
  55. Pediatric Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, May 24, 2002.
  56. Environmental Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 2, 2002.
  57. Hypnosis: Applications in Dermatology and Medicine. Medical Grand Rounds presentation, Sarasota Memorial Hospital, Sarasota, Florida, January 10, 2003.
  58. Hypnotically Induced Relaxation During Dermatologic Procedures. Presented at the Noah Worcester Dermatological Society Annual Meeting, Boca Raton Resort, Boca Raton, Florida, January 23, 2003.
  59. Hypnosis in Dermatology: An Alternative Therapy: Focus session director and presenter. American Academy of Dermatology Annual Meeting, San Francisco, California, March 23, 2003.
  60. Hypnotic Self-Relaxation Using Self-Guided Imagery During Dermatologic Procedures. Scientific meeting symposium presenter. American Society of Clinical Hypnosis Annual Meeting, Alexandria, Virginia, April 8, 2003.
  61. Pediatric Dermatology. Presented at the Osler Institute Pediatric Board Review Course, Crowne Plaza Hotel, Tampa, Florida, May 20, 2003.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

62. Common Dermatoses. Presented at the Osler Institute Family Practice Board Review Course, Crowne Plaza Hotel, Tampa, Florida, May 21, 2003.
63. Pediatric Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, May 31, 2003.
64. Environmental Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 1, 2003.

65. Resolution of Excoriations in Acne Excoriee Facilitated by Hypnosis. Scientific meeting symposium presenter. Society for Clinical and Experimental Hypnosis Annual Meeting, Chicago, Illinois, November 14, 2003.
66. Hypnosis in Dermatology: An Alternative Therapy. Focus session director and presenter. American Academy of Dermatology Annual Meeting, Washington D.C., February 10, 2004.
67. Neurotic Excoriations in Acne Excoriee Ameliorated by Hypnosis Scientific meeting symposium presenter. American Society of Clinical Hypnosis Annual Meeting, Anaheim, California, March 26, 2004.
68. Pediatric Dermatology. Presented at the Osler Institute Pediatric Board Review Course, Crowne Plaza Hotel, Tampa, Florida, June 1, 2004.
69. Common Dermatoses. Presented at the Osler Institute Family Practice Board Review Course, Crowne Plaza Hotel, Tampa, Florida, June 3, 2004.
70. Pediatric Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 3, 2004.
71. Environmental Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 5, 2004.
72. Embryologic and Biologic Interconnections of the Skin and Nervous System. Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Santa Fe, New Mexico, November 13, 2004.
73. Hypnosis for Skin Procedures. Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Santa Fe, New Mexico, November 13, 2004.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

74. Hypnosis for Skin Disorders. Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Santa Fe, New Mexico, November 13, 2004.
75. Hypnotic Relaxation Utilizing Self-Guided Imagery During Dermatologic Procedures.

- Scientific Meeting Symposium and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Santa Fe, New Mexico, November 14, 2004.
76. Hypnotic Relaxation for Medical Procedures. Grand Rounds presentation, Sarasota Memorial Hospital, Sarasota, Florida, January 14, 2005.
  77. Hypnosis in Dermatology: A Review. Invited Keynote speaker at the Association for Psychocutaneous Medicine of North America Annual Meeting, New Orleans, Louisiana, February 17, 2005.
  78. Hypnotic Relaxation for Dermatologic Procedures Using Self-Guided Imagery. Scientific presenter at the American Society of Clinical Hypnosis Annual Meeting, Adams Mark Hotel, Saint Louis, Missouri, March 15, 2005.
  79. Pediatric Dermatology. Presented at the Osler Institute Family Practice Board Review Course, Quorum Hotel, Tampa, Florida, May 25, 2005.
  80. Common Dermatoses. Presented at the Osler Institute Family Practice Board Review Course, Quorum Hotel, Tampa, Florida, May 25, 2005.
  81. Environmental Dermatology. Presented at the Dermatology for the Non-Dermatologist Course, Casa Marina Resort, Key West, Florida, June 4, 2005.
  82. Hypnosis for Skin Procedures and Disorders. Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Charleston, South Carolina, October 26, 2005.
  83. Live versus Audiotape Hypnotic Relaxation Utilizing Self-Guided Imagery for Dermatologic Procedures. Scientific meeting symposium presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Charleston, South Carolina, October 30, 2005.
  84. Update in Dermatology. Presenter at Update in Internal Medicine for Primary Care Professionals, The Colony Beach and Tennis Resort, Longboat Key, Florida, November 10, 2005.
  85. Common Dermatoses. Grand Rounds presentation, Sarasota Memorial Hospital, Sarasota, Florida, January 13, 2006.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

86. Live versus Audio-Recorded Hypnotic Relaxation and Self-Guided Imagery for Dermatologic Procedures. Scientific presenter at the Association for Psychocutaneous

- Medicine of North America Annual Meeting, San Francisco, California, March 2, 2006.
87. Live versus Audio-Recorded Hypnotically Induced Relaxation and Self-Guided Imagery for Dermatologic Procedures. Scientific presenter at the American Society of Clinical Hypnosis Annual Meeting, Orlando, Florida, March 28, 2006.
  88. Pediatric Dermatology. Presented at the Osler Institute Family Practice Board Review Course, Quorum Hotel, Tampa, Florida, May 23, 2006.
  89. Common Dermatoses. Presented at the Osler Institute Family Practice Board Review Course, Quorum Hotel, Tampa, Florida, May 23, 2006.
  90. Basic Hypnosis with Applications Workshop. Course Director, Florida Society of Clinical Hypnosis Meeting, Wingate Inn USF, Tampa, Florida, October 19 and 20, 2006.
  91. Rapid Hypnoanalysis Using Ideomotor Signals Advanced Workshop. Course Director, Florida Society of Clinical Hypnosis, University of South Florida College of Public Health, Tampa, Florida, October 21 and 22, 2006.
  92. Pathways to Hypnotically Induced Relaxation and Self-Guided Imagery for Dermatologic Procedures. Scientific Symposium director and presenter, American Society of Clinical Hypnosis and Society for Clinical and Experimental Hypnosis Joint Annual Meeting, Adam's Mark Hotel, Dallas, Texas, January 22, 2007.
  93. Hypnotic Relaxation and Self-Guided Imagery for Dermatologic Procedures. Presenter at the Association for Psychocutaneous Medicine of North America Annual Meeting, Grand Hyatt Washington, Washington D.C., February 1, 2007.
  94. Hypnotic Relaxation for Dermatologic Procedures. Presenter at the Noah Worcester Dermatologic Society Annual Meeting, Royal Garden Hotel, London, England, May 8, 2007.
  95. Hypnosis in Dermatology. Invited Presenter of the Morris Waisman MD Memorial Lecture at the Florida Society of Dermatology and Dermatologic Surgery Annual Meeting, The Breakers, Palm Beach, Florida, June 1, 2007.
  96. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Anaheim, California, October 24, 2007.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

97. Hypnotically Induced Relaxation and Self-Guided Imagery for Dermatologic Procedures.

- Scientific meeting symposium presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Anaheim, California, October 27, 2007.
98. Using Ideomotor Questions to Determine Which Dermatology Patients to Refer for Hypnoanalysis. Scientific Symposium presenter at the American Society of Clinical Hypnosis Annual Meeting, Hyatt Regency at McCormick Place, Chicago, Illinois, March 10, 2008.
  99. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, King of Prussia, Pennsylvania, October 25, 2008.
  100. Use of Medical Psychosomatic Hypnoanalysis for Skin Disorders. Scientific meeting symposium presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, King of Prussia, Pennsylvania, October 26, 2008.
  101. Therapeutic Management of Psychodermatological Disorders. Focus session director and presenter, American Academy of Dermatology Annual Meeting, San Francisco, California, March 9, 2009.
  102. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Reno, Nevada, October 21, 2009.
  103. Use of Hypnotically Induced Relaxation and Self-Guided Imagery During Dermatologic Procedures. Scientific meeting symposium presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Reno, Nevada, October 24, 2009.
  104. Hypnotically Induced Relaxation with Guided Self-Imagery During Dermatologic Procedures. Presenter at the Association for Psychocutaneous Medicine of North America Annual Meeting, Loews Hotel, Miami Beach, Florida, March 4, 2010.
  105. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Nashville, Tennessee, March 13, 2010.
  106. Hypnotically Induced Relaxation and Self Guided Imagery during Dermatologic Procedures. Scientific Symposium presenter at the American Society of Clinical Hypnosis Annual Meeting, Nashville, Tennessee, March 14, 2010.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

107. Hypnosis Induced Relaxation and Self-Guided Imagery for Dermatologic Surgery. Presenter at the Noah Worcester Dermatological Society Annual Meeting, Ritz-Carlton Amelia Island, Fernandina Beach, Florida, April 24, 2010.
108. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Boston, Massachusetts, November 12, 2010.
109. Preliminary Data on Hypnotically Induced Relaxation and Self-Guided Imagery During Dermatologic Procedures. Scientific meeting symposium presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Boston, Massachusetts, November 13, 2010.
110. Demonstrating Advanced Competence in Medical Hypnosis: the American Board of Medical Hypnosis Diplomate Examination. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Las Vegas, Nevada, March 6, 2011.
111. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Las Vegas, Nevada, March 6, 2011.
112. New Uses of Hypnosis and Ideomotor Signaling. Scientific Symposium presenter at the American Society of Clinical Hypnosis Annual Meeting, Las Vegas, Nevada, March 8, 2011.
113. Hypnoanalysis for Dermatologic Disorders. Presenter at the Noah Worcester Dermatological Society Annual Meeting, Barton Creek Resort, Austin, Texas, April 9, 2011.
114. What's Bugging You? Invited Presenter on arthropods and the skin of the Morris Waisman MD Memorial Lecture at the Florida Society of Dermatology and Dermatologic Surgery Annual Meeting, Boca Raton Resort and Club, Boca Raton, Florida, May 28, 2011.
115. Hypnotic Strategies for Pain Management. Intermediate workshop presenter at the American Society of Clinical Hypnosis Regional Workshop, Alexandria, Virginia, June 3, 2011.
116. Dermatology and Hypnosis. Advanced workshop presenter at the American Society of Clinical Hypnosis Regional Workshop, Alexandria, Virginia, June 3, 2011.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

117. Mind-Body Preparation for Surgery and Medical Procedures. Intermediate workshop presenter at the American Society of Clinical Hypnosis Regional Workshop, Alexandria, Virginia, June 4, 2011.
118. Hypnosis for Skin Procedures and Disorders. Advanced Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, New Orleans, Louisiana, September 14, 2011.
119. Developing Hypnotic Metaphors. Intermediate Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, New Orleans, Louisiana, September 15, 2011.
120. Applications of Hypnosis in Chronic Disease. Intermediate Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, New Orleans, Louisiana, September 16, 2011.
121. Applications of Hypnosis for Habit Disorders. Intermediate Workshop co-chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, New Orleans, Louisiana, September 16, 2011.
122. The Development and Use of Ideomotor Signaling as Nonverbal Communication in Hypnosis. Scientific presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, New Orleans, Louisiana, September 18, 2011.
123. The American Boards: Demonstrating Competence in Hypnosis. Scientific presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, New Orleans, Louisiana, September 18, 2011.
124. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Charlotte, North Carolina, March 18, 2012.
125. Basic Hypnosis with Applications Workshop. Presenter on medical applications, Florida Society of Clinical Hypnosis Meeting, Springhill Marriott Suites, Tampa, Florida, April 22, 2012.
126. Hypnosis for Skin Procedures and Disorders. Advanced Workshop chair and presenter at the International Joint Meeting of the Society for Clinical and Experimental Hypnosis and the Canadian Society of Clinical Hypnosis—Ontario Division, Toronto, Ontario,

Canada, Delta Chelsea Hotel, October 10, 2012.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

127. Effectiveness of Hypnotically Induced Relaxation and Self-Guided Imagery for Reducing Anxiety During Dermatologic Procedures. Scientific meeting symposium presenter at the International Joint Meeting of the Society for Clinical and Experimental Hypnosis and the Canadian Society of Clinical Hypnosis—Ontario Division, Toronto, Ontario, Canada, Delta Chelsea Hotel, October 13, 2012.
128. Hypnotic Strategies for Pain Management. Intermediate workshop presenter at the American Society of Clinical Hypnosis Regional Workshop, Tampa, Florida, November 30, 2012.
129. Hypnotic Ability and Its Measures. Basic workshop presenter at the American Society of Clinical Hypnosis Regional Workshop, Tampa, Florida, November 30, 2012.
130. A Randomized Control Trial of Hypnotically Induced Relaxation and Self-Guided Imagery During Dermatologic Procedures. Presenter at the Association for Psychocutaneous Medicine of North America Annual Meeting, Eden Roc Hotel, Miami Beach, Florida, February 28, 2013.
131. Hypnotically Induced Relaxation and Self-Guided Imagery Effectively Reduces Anxiety During Dermatologic Procedures. Oral and e-Poster # 7095 presenter at the American Academy of Dermatology Annual Meeting, Miami Beach, Florida, March 4, 2013.
132. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Louisville Marriott Downtown Hotel, Louisville, Kentucky, March 16, 2013.
133. Anxiety Reduction Using Hypnotically Induced Relaxation and Self-Guided Imagery During Dermatologic Procedures. Scientific meeting symposium presenter at the American Society of Clinical Hypnosis Annual Meeting, Louisville Marriott Downtown Hotel, Louisville, Kentucky, March 18, 2013.
134. Medical Applications of Hypnosis. Basic Workshop presenter, Florida Society of Clinical Hypnosis, Clarion Hotel and Conference Center, Tampa, Florida, April 7, 2013.
135. Anxiety Reduction Using Hypnotic Induction and Self-Guided Imagery During Dermatologic Procedures. Poster presentation and discussion. International Investigative

Dermatology Meeting 2013 of the European Society for Dermatological Research (ESDR), the Japanese Society for Investigative Dermatology (JSID), and the Society for Investigative Dermatology (SID), Edinburg International Conference Centre, Edinburgh, Scotland, May 8-11, 2013.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

136. Hypnosis for Skin Procedures and Disorders. Advanced Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Doubletree Marina Hotel, Berkeley, California, October 2, 2013.
137. Medical Uses of Hypnosis. Basic Workshop presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Doubletree Marina Hotel, Berkeley, California, October 3, 2013.
138. Hypnosis for Skin Procedures and Disorders. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Town and Country Resort and Conference Center, San Diego, California, March 25, 2014.
139. Altered States of Consciousness Experiences Related to Spiritual and Religious Aspects of Skin and Skin Disorders. Scientific presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, San Antonio, Texas, October 12, 2014.
140. Spiritual and Religious Aspects of Skin and Skin Disorders. Presenter at the Association for Psychocutaneous Medicine of North America Annual Meeting, Mariott Marquis Hotel, San Francisco, California, March 19, 2015.
141. Spiritual and Religious Aspects of Skin and Skin Disorders. Oral and e-Poster # 362 presenter at the American Academy of Dermatology Annual Meeting, Moscone Center, San Francisco, California, March 21, 2015.
142. Hypnosis for Skin Procedures and Disorders. Advanced Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Rosen Plaza Hotel, Orlando, Florida, September 30, 2015.
143. Nocebo as a Negative Trance Phenomenon as it Relates to Skin and Skin Disorders. Scientific presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Rosen Plaza Hotel, Orlando, Florida, October 3, 2015.
144. Introduction to the Hypnosis Specialty Discipline Boards. Workshop presenter at the American Society of Clinical Hypnosis Annual Meeting, Hyatt Regency St Louis at the Arch, St Louis, Missouri, March 13, 2016.

145. Induced Altered States of Consciousness Experiences Related to Spiritual and Religious Aspects of Skin and Skin Disorders. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Hyatt Regency St Louis at the Arch, St Louis, Missouri, March 15, 2016.

**MAJOR PRESENTATIONS AND COURSES OUTSIDE THE UNIVERSITY OF SOUTH FLORIDA COLLEGE OF MEDICINE (Continued):**

146. Altered States of Consciousness Experiences Related to Spiritual and Religious Aspects of Skin and Skin Disorders. Advanced Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, William James College, Newton, Massachusetts, October 8, 2016.
147. Altered States of Consciousness Experiences Related to Spiritual and Religious Aspects of Skin and Skin Disorders. Presenter at the Association for Psychocutaneous Medicine of North America Annual Meeting, Hyatt Regency Orlando, Orlando, Florida, March 2, 2017.
148. Altered States of Consciousness Experiences Related to Spiritual and Religious Aspects of Skin and Skin Disorders. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Hyatt Regency Phoenix Downtown, Phoenix, Arizona, March 19, 2017.
149. Altered States of Consciousness Experiences Related to Spiritual and Religious Aspects of Skin and Skin Disorders. Advanced Workshop chair and presenter at the Society for Clinical and Experimental Hypnosis Annual Meeting, Chicago College of Professional Psychology, Chicago, Illinois, October 26, 2017.
150. Noxious Nocebos in Dermatology. Presenter at the Association for Psychocutaneous Medicine of North America Annual Meeting, Marriott Marquis and Marina Hotel, San Diego, California, February 15, 2018.
151. Uses of Altered States of Consciousness Experiences Related to Spiritual and Religious Aspects of Skin and Skin Disorders. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Embassy Suites Orlando Lake Buena Vista South, Kissimmee, Florida, March 18, 2018.
152. Reframing via Altered States of Consciousness Experiences Influences Spiritual and Religious Aspects of Skin and Skin Disorders. Workshop chair and presenter at the American Society of Clinical Hypnosis Annual Meeting, Hyatt Regency, San Antonio, Texas, March 29, 2019.

**MAJOR PRESENTATIONS WITHIN THE UNIVERSITY OF SOUTH FLORIDA  
COLLEGE OF MEDICINE.**

1. Contact Dermatitis. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, October 1, 1987.

**MAJOR PRESENTATIONS WITHIN THE UNIVERSITY OF SOUTH FLORIDA  
COLLEGE OF MEDICINE (Continued)**

2. Dermatoepidemiology; Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, October 13, 1988.
3. Skin Cancer Immunology. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, November 9, 1989.
4. Occupational Dermatology. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, August 30, 1990.
5. Arthropods and the Skin. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, June 13, 1991.
6. Allergic Contact Dermatitis. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, April 16, 1992.
7. Arthropods That Bug Your Skin. Internal Medicine Grand Rounds presentation, University of South Florida Tampa, Florida, August 10, 1995.
8. Allergic Skin Diseases. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, August 8, 1996.
9. Cutaneous Drug Reactions. Internal Medicine Grand Rounds presentation, University of South Florida. Tampa, Florida, August 7, 1997.
10. Photosensitive and Other Skin Reactions to Light: Internal Medicine Grand Rounds presentation, University of South Florida, October 8, 1998.
11. Dermatitis. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, August 2, 2001.

12. The Use of Hypnosis in Dermatology. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, April 11, 2002.
13. Dermatitis. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, April 3, 2003.
14. Hypnotic Relaxation for Medical Procedures. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, March 25, 2004.
15. Bites, Stings, and Infestations. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, April 20, 2006

**MAJOR PRESENTATIONS WITHIN THE UNIVERSITY OF SOUTH FLORIDA  
COLLEGE OF MEDICINE (Continued)**

16. Common Dermatoses. Internal Medicine Grand Rounds presentation, University of South Florida, Tampa, Florida, October 8, 2015.
